VINYL FENCING
PACKAGING NEEDS

Fences - Posts - Gates - Panels

Visit www.edlpackaging.com or
call (920) 336-7744 for complete details

Packaging Engineers, Inc.

Whether you require an individual component or unit load...

EDL HAS YOUR SOLUTION!

- ~ Complete enclosure for protection from UV rays, weather, and dirt
- ~ Can handle products at speeds of up to 28 parts/minute for components and 2 units/minute for unit load
- ~ Products can be stored outside while maintaining complete protection.

Contact **Bert Jansen** at (920) 336-7744 today to learn more about our money saving solutions!
