Packaging Engineers, Inc.

EDL Packaging Features and Benefits!

- ~ Provide solutions for manufactures to enclose small to medium variable sized products for transit.
- ~ Significant cost reduction over corrugated based packaging.
- ~ Can be handfed or integrated into conveyor / production systems.
- ~ These systems incorporate our latest proven technology, flexibility, and ease of maintenance. **Attributes you can expect from EDL!**

Contact Bert Jansen at (920) 336-7744 today to learn more about our money saving solutions!
