call (920) 336-7744 for complete details**

Packaging Engineers, Inc.

WHY AN EDL UNIT LOAD SYSTEM?

- ~ Provide solutions for manufactures to enclose large, variable sized products for transit
- ~ Significant cost reduction over corrugated based packaging
- ~ Complete enclosure for protection from UV rays, weather, and dirt
- ~ These systems incorporate our latest proven technology, flexibility, and ease of maintenance. **Attributes you can expect from EDL!**
