Packaging Engineers, Inc.

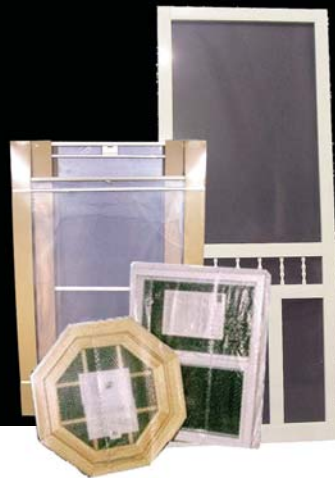

EDL WINDOW AND DOOR PACKAGING SOLUTION:

CLEARLY BETTER ANY WAY YOU LOOK AT IT!

~EDL has the solution that:

- Keeps your windows and doors clean while in transit
- Protects your windows and doors from scratches and other damage
- Keeps packaging material like corner protectors, pads and assembly materials in place ensuring the window or door is protected and delivered complete
- Allow consumers to see your product clearly and in a pleasing manner

~ EDL's window and door systems deliver a clean, scratch, and dent free product
